PROJECTS AND EXPERIENCE

EXPERIENCE

1- Advanced Machinery Corporation (Web Manager & Designer) [2020-2022]

- Managed and designing the company's official website, ensuring it stayed up-to-date with the latest products, services, and company information.
- Creating comprehensive Bills of Materials (BOMs) to document the components and materials required for designing.
- Management using CMS, where we managed content updates, optimized website performance, and implemented custom themes and plugins to enhance functionality.

2- Ling Infotech [Feb-2023 to Aug-2023]

- During my tenure as an intern, I had the privilege to contribute to the completion of company's project, which not only deepened my understanding of coding but also highlighted my passion for software development.

PROJECTS [MERN STACK]

1. PERSONAL PORTFOLIO

- The website contains ReactJS, HTML, CSS, SASS.
- Explaining my career and experience with interactive web design, and I have learnt lot of short-hand tools and function.
-  <https://portfolio-bharani.netlify.app/>
